

TALL SHIP APPLIEDORE

Weddings

Make your wedding a truly unforgettable experience aboard a

TALL SHIP

Thank you for your interest in having your wedding aboard one of the Appledore Schooners – Bay City’s Tall Ships! Our vessels can host a one-of-a-kind wedding, out on the water and under sail!

With a choice of two ships we can accommodate a variety of groups. For a smaller group of up to 29 people we have the **Appledore V**, your own private yacht for the evening. For a group of up to 48, we have the lovely **Appledore IV**, with lots of space to mingle with your guests. Still need more capacity? How about chartering both boats, or combine your sail with a dockside reception? There are plenty of options.

We also offer a variety of on-board catering choices; from a simple boxed lunch to our fabulous “Royal Reception” menu with onboard chefs. Please see the enclosed menus.

Weddings aboard can be anywhere from two to four hours, in addition to time for boarding and disembarking. Do you have a different itinerary in mind? We are very flexible. And yes, our captain can marry you!
