

SCIENCE UNDER SAIL

ABOARD THE *APPLEDORE* SCHOONERS

Teachers under Sail

June 6th, 2010—2:30pm-6:00pm

Cost: Free for teachers

Light refreshments provided.

Sign up early—the sail is limited to 20 teachers!

BaySail invites you to come aboard the Schooner *Appledore IV* and learn about Science Under Sail, a 3½ hour hands-on, curriculum linked environmental education program. The level-specific program content includes weather, pollution and bird observation, navigation, water sampling, plankton sampling, and benthic studies. Students also have the chance to raise sails and steer the ship! BaySail is a non-profit organization with the mission “to foster environmental stewardship of the Saginaw Bay Watershed and the Great Lakes ecosystem and to provide personal development opportunities to learners of all ages through shipboard and land based educational experiences”.

See for yourself what your students will learn!

Please RSVP by Friday, May 28th, 2010
